

SERVICE AGREEMENT

01 Scope

Prepare a document package for review. Retain the original, inspect revisions, and confirm the approved version.

02 Delivery

Delivery date and required attachments are updated
brief and a copy of the original document.

03 Review

Check the delivery date and required attachments before approval. Record each agreed change in the revised document.

04 Next steps

Compare this version with the original. Resolve review comments, then create the signed version.
