

SERVICE AGREEMENT

Fictional document · For product demonstration

01 Scope

Prepare a clear document package for review. Retain the original, inspect revisions and confirm the approved version before adding a signature.

02 Delivery

The final package includes an updated brief, a completion checklist and a record of the agreed changes. Delivery is planned for 30 October 2026.

03 Review

Reviewers should check the delivery date, confirm the required attachments and resolve open comments before approval. Changes require written confirmation.

04 Next steps

Compare the revised file with the original. Search for the word delivery. Review the changed section and save the completed document as a separate version.

BEFORE APPROVAL

Check revisions. Keep the original. Protect sensitive content.
